WORTHING LIONS FESTIVAL CHARITY MARKET
SATURDAY & SUNDAY JULY 30th & 31st 2022 8am-4.30pm

Thanks for all those Charities who participated in the past years Markets. Well what another year we have been going through. I hope you have all survived both financially and health wise.

This year, we are back on the prom but with this difference. As time has gone by, the local authority have been renting out various stalls along the promenade which it makes it difficult to allocate space as when you arrive you might find a coffee stall where you thought you should be. So, this years market will be done on a 1st come 1st served basis which I hope would erradicate the problem. We aim to open the gate at 7:30am which should give you time to set up before a lot of the consessions arrive. More info to come!

MOST IMPORTANTLY, I need to know if you will attend on the Saturday, Sunday or Both days. THIS I NEED TO HAVE YOUR RESPONSE BY 18th MARCH, as there is a lot for the Lions to organise. The Market is free for all Charities and our usual raffle will be held on each day for the chance to win £100 just for participating. Please fill out the attached application form ASAP and your in!!

Kindest Regards

Andy Douglas
